Dear

Our records indicate a credit balance in your account of .48¢.

Since the amount in your account is so small, we would like to invite you to apply this amount to your next purchase. I have enclosed a new price sheet for your convenience. If you see anything you need please let me know and we will apply your credit balance to your new purchase.

Thank you for your orders in the past and I hope we can be of service to you very soon.

Sincerely,
